QData is not responsible for errors in this information and makes no warranty, either expressed or implied, as to the accuracy of the information herein provided. Each purchaser of user accepts this information under these conditions.
Data from QData does not include breed association points or awards, and is designed to be used in conjunction with relative breed association records. QData Reports combine all events into one report for the purpose of promoting and evaluating horses. An QData Report is not an official report for any organization. To obtain the official organization's performance report for any event, please contact the organization directly. A partial list of equine breed and event associations can be found at this link.

Please Note: The statistics shown are for money-earners recorded in the QData Database ONLY and include ALL events recorded in the QData Database. For a detailed record showing all money-earners from a specific cross, order the **QData Nicking Detail** Report
